ACID-FREE LOS ANGELES ART BOOK MARKET

Table A04

November 1-3, 2019

Blum & Poe, 2727 La Cienega Boulevard, Los Angeles

October 30, 2019

Gagosian is pleased to participate in the Acid-Free Los Angeles Art Book Market, organized by a collective of Los Angeles-based independent art book publishers. A platform and marketplace for art books, the three-day event is focused on creating a space for meaningful and sustained conversations around art publishing. The event is free and open to the public.

In addition to offering a selection of gallery publications associated with Los Angeles—including a new book by Albert Oehlen featuring works created in the city, as well as catalogues on LA-based artists Jennifer Guidi, Alex Israel, Shio Kusaka, and Jonas Wood—the gallery will be celebrating the release of *Piero Manzoni: An Artist's Life*, a biography of the Italian conceptual artist.
